## LIMITED WARRANTY

### TRAVIS PATTERN MANUFACTURED ITEMS

1. Travis Pattern & Foundry manufactures Wade Rain couplers, valves and certain mechanical equipment. Any part manufactured by Travis which is proven defective as to material or workmanship within one year from the date of sale by Travis will be replaced free of charge F.O.B. Spokane, Washington, upon return of such defective part to Travis, transportation prepaid. No parts, however, shall be returned without the express written authority of Travis. Travis makes no warranty express or implied, except such warranties as are definitely set forth herein. This Warranty is void if the equipment is used on lines with pressures in excess of those recommended by Travis or if used in a manner not in conformity with Travis's published instructions.
2. There are no warranties which extend beyond the description on the face hereof. Travis Pattern & Foundry makes no warranty of merchantability or implied warranty of fitness as to its products.
3. Under no circumstances shall Travis be held for any consequential or other damages, losses or expenses which may arise from installation or use of the equipment regardless of advice or recommendations that may have been made by any agent or employee of Travis Pattern & Foundry or its distributors/dealers.
4. The distributor and/or dealer is not authorized to make any warranty of performance or efficiency or other operating guaranty on any Wade Rain System or any of its component parts not set forth herein.

#### Material Shipping Understanding

Travis Pattern & Foundry shall not be responsible for any delay in shipping resulting from destruction of offices, warehouses, factories, or other facilities, strikes, lockouts, shortage of merchandise at the factory or plant of Travis Pattern & Foundry, delays in obtaining merchandise from a factory or plant or other sources of supply, act of God, or other causes.

#### Reservations and Rights for Improvements

Travis Pattern & Foundry reserves the right to make changes in design and changes or improvements upon its products without assuming any obligation to change products theretofore manufactured in the same manner.

#### Parts Manufactured by Others

Parts of Wade Rain System manufactured by others than Travis Pattern & Foundry (all buy-out items and such items as gear reducers, tires, aluminum tubing, electric motors, gas engines, sprinklers, ect.) may carry manufacturer's guarantee and are not guaranteed by Travis Pattern & Foundry.

#### Application Conditions

This warranty shall apply to all Wade Rain Systems, subject to the following limitations:

- a) Water supplied to the system shall be clean and noncorrosive, free of sand or other foreign matter which adversely affects the operation of the system or may unduly shorten the life of the system or any of its parts.
- b) Water pressure applied to the system shall be limited to a maximum of 125 psi operating pressure unless otherwise indicated in writing by Travis Pattern & Foundry.
- c) All systems are to be used with water only.
- d) The system must be operated in conformance with the manufacturer's instructions and all safety instructions must be followed.

Any claims should be presented to Travis Pattern & Foundry, P.O. Box 6325, Spokane, WA 99217-0905
